

Flexible Engagement Model

We make it easier to work with us on your terms.

Our client experience and Cimplifi™ ecosystem puts more control, choice, and ease within reach. There's no one way to engage with us, and many ways of doing business.

FLEXIBLE, TAILORED SERVICE MODELS

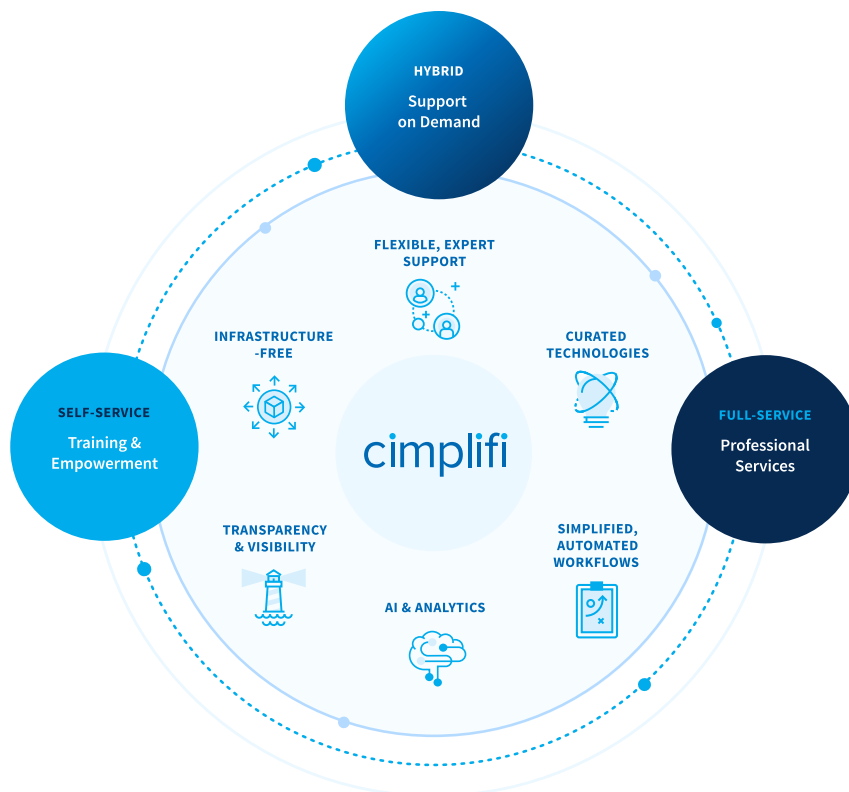

Manage your projects in-house with Cimplifi for a self-directed experience, with the ability to seamlessly bring on expert support as volume and complexity increase or resources get stretched. Or, turn to our team for a full service, end-to-end managed solution.

TRANSPARENT, PREDICTABLE PRICING

Choose the simplified, predictable fee structure of a subscription model, pay as you go with all-inclusive, fixed-fee pricing, or combine the two for a hybrid solution. No matter which option you choose, you'll find more certainty and transparency for greater control, clarity, and cost recovery.

SCALABLE, AGILE APPROACH

With no commitment or investment required, leverage as much or as little of our platform and services as needed and adjust as your needs change. We don't lock you into any one solution or approach, which means you're never stuck with a solution that doesn't work for you.
